

## Annual Report 2021-22

The academic session 2021-22 held special importance for all good reasons. It was a feeling of witnessing a phoenix, the mythical bird which is reborn from its own ashes, after experiencing once in hundred years Pandemic. Faculty and students entered the campus after a gap of two years. The excitement could be palpable throughout the session. Though admission process for academic year began in October 2021, online classes for odd semester started from 30 Dec 2021. These semesters ended in Feb 2022 followed by OBE exam in March 2022.

The odd semesters started offline in April 2022. Since students were attending college after two years, it was needless to say that they were aspiring for more than just syllabus and exams. Their wishes were truly rewarded. You all will be happy to know that several co-curricular activities were conducted during the short span of time of this fast forward year, dates for various extra-curricular events and competitions were announced commencing from 29 May and scheduled for each Sunday, culminating on **24 July 2022 i.e. Annual Day**.

The following competitions were held and three winners from each were chosen; Solo Singing, Painting, Poetry, Mehendi, Best out of Waste, Solo Dance, Fireless Cooking, Debate, Quiz & Rangoli. Apart from these, **Sports day was celebrated on 9 July 2022**. Students and faculty members participated with enthusiasm. The events held include Sack Race, 100m Race, Lemon Race, Yoga Competition, Skipping & 100m Race of staff members.

The enthusiastic participation of our students is a testimony of success of these events. I firmly believe in the holistic development of my girls, and the fact that many valuable lessons of life are learned on the games field, during dramatics, hobbies and outdoor activities which we could not organize due to first COVID and then extremely hot weather, but are still in our bucket list. Education, minus character development and leadership is of no value. While we are proud of Delhi University's 100 year old heritage and traditions, we are at the same time keen to be as modern as possible in order to be relevant to this age and times, and be ready for the future.

During *Azadi ka Amrit Mahotsava*, Our students also participated in Online Competitions, **“One Week for Nation”**, organized by NCWEB from 15 August to 22 August 2021. I'm delighted to announce that our second year students, Nancy Patel won the first prize in Poster Making Competition and Princy Verma won third prize in Best out of Plastic Waste Competition. I think both of them surely deserve a big hand. Our students and faculty members also participated in **International Women Day was organized by NCWEB, DU North Campus** on 14 March 2022.

Other curricular and co-curricular events organized during this packed academic session were a **Webinar on “What after Graduation”** on 21 Feb 2022, **E- Accountant Course: Seminar Skill Hai to Job Hai** in association with Sardar Patel Academy and Research Centre on 10 April 2022, **Seminar on Save Soil** on 29 May 2022 in association with Isha Foundation in the seminar room, **Russian-Ukraine War and International Relations Presentation** held on 26 June 2022
