

NCWEB Report 2022-23

The academic session of NCWEB Bharati College Center 2022-23 started with the excitement. Faculty members and students entered the campus with utmost enthusiasm as the situation was gradually getting normalized after the Pandemic. The after effects of Covid 19 were still affecting the normal academic calendar, yet all of us were trying to adjust with new normal.

After a gap of two years, seniors welcome their juniors with a vibrant **Fresher's Party** which was held on 15th January 2023. The energy was tremendous. Needless to say, that students aspire for more than just syllabus and exams. Their wishes were truly rewarded. To ensure that we provide opportunities to our students a wholesome college experience and help in their overall personality development, more than fifteen co-curricular activities were conducted during the short span of time of this fast forward year, dates for various extra-curricular events and competitions were announced commencing from 3rd December 2022 with Youth Parliament.

The following competitions were held with overwhelming participation of students and winners from each were chosen; Solo Singing, Painting, Poetry, Short Story Writing, Solo Dance, Youth Parliament, Picturesque, Ad-Mad, Crack a Mystery & Rangoli to name a few. Apart from these, **Sports day** was celebrated on 25 February 2023. Students and faculty members participated with fervor. The events held included Sack Race, 100m Race, Lemon Race, Chess, 400 m Relay Race & 100m Race of staff members.

The enthusiastic participation of our students is a testimony of success of these events. I firmly believe in the holistic development of my girls, and the fact that many valuable lessons of life are learned on the games field, during dramatics, hobbies and outdoor activities, like educational trips. I'm happy to mention here that the trip which we could not organize last year due to first COVID and then extremely hot weather, but was in our bucket list, was successfully completed this time. When the trip was declared, I was apprehensive whether we'll be able to fill one bus of 45 seats or not. But the overwhelming response of students proved me wrong, and we had to book two buses for our Amritsar Trip. We left on 12th February and returned on 14th February 2023 after visiting Golden Temple, Jalianwala Bagh and Bagha Border. Education, minus character development and leadership is of no value. While we are proud of Delhi University's 100 year old heritage and traditions, we are at the same time keen to be as modern as possible in order to be relevant to this age and times, and be ready for the future.

During *Azadi ka Amrit Kaal*, our students also participated in **5th National Poshan Maah Competitions**, organized by NCWEB in collaboration with **National Commission for Women** on 26 September 2022. Our students and staff members participated in Poster Making Competition and Healthy Recipe Contest and Nidhi Jha of B. A. II year won the third prize in Healthy Recipe Contest. Our students and faculty members also participated in **Global Millets Conference Shree Ann** organized by the **Ministry of Agriculture and Farmer Welfare** on 18-19 March 2023. Our extremely talented student Khushi Yadav, B.A.II year participated in

district level Poetry Competition organized by Nehru Yuva Kendra, South-West District, **Ministry of Youth & Sports, Govt. of India**, and won the THIRD prize

Other curricular and co-curricular events organized during this packed academic session were a **Seminar on “CFX Chartered Financial Expert”** on 13 January 2023, **E- Accountant Course: Seminar *Skill Hai to Job Hai*** in association with Sardar Patel Academy and Research Centre on 8 January 2023, **Talk on Water Question: Abundance or Scarcity** on 5 March 2023, a Workshop on **Personality Development and Stress Management through Sahaj Yoga Meditation** on 12 March 2023.

Our students were selected to perform at the main NCWEB Annual Day held at Shankar Lal Hall, North Campus, University of Delhi on 6th April 2023. The performances of both the group dance & group singing teams were lauded, and the group dance team won the THIRD prize. Two students from the Bharati NCWEB Center made it to the list of toppers from the overall NCWEB 26 Centers, and were felicitated at the Annual Day. Mishra Mausmee of B. Com III year and Anjali Kumari of B. A. III year got the First prizes.

Utmost dedication and sincere efforts of staff and students keep us motivated on the path to realizing vision of Non-Collegiate Women’s Education Board, University of Delhi, and enable us to scale new heights.
